PETITIONS calling upon President Roosevelt to take a hand in the Kentucky situation and to enforce the provision of the Constitution guaranteeing life, liberty and the pursuit of happiness are being circulated throughout the State and when a sufficient number of signatures have been obtained the papers will be forwarded to Washington. Gov. Willson will not be asked to unite in the petition. It is a burning shame and a lasting disgrace that the citizens of Kentucky feel compelled to ask for Federal intervention. It is a virtual admission of the State's inability to cope with lawlessness within its borders. There is already too great a tendency toward the centralization of Federal power. But be that as it may, it is better by far than to further tolerate the acts of murderers and incendiaries.

THE old must die, the young may die. The death of the oldest, and the youngest in the United States Senate recalls this truism. The death of William James Bryan, the newly appointed Senator from Florida, youngest member, follows closely on that of Senator Whyte, of Maryland, the oldest. The former was 32, the latter 84. Since adjournment of the 59th Congress in March 1907, the Senate has lost seven members. They were: the two late Senators from Alabama, Mr. Morgan and Mr. Pettus; Mr. Mallory of Florida; Mr. Latimer, of South Carolina; Mr. Proctor, of Vermont; Mr. Whyte, of Maryland, and Mr. Bryan.

HAVING succeeded in defeating the State ticket headed by S. W. Hager last year and electing Ex-Gov. W. O. Bradley to the U. S. Senate, the Courier-Journal is now devoting its time and space to the defeat of the temperance cause. It serves notice on its readers that it proposes to fight every thing which even has a "dry" appearance and we may expect some hot stuff from "Marse Henri" on any man who dares to admit he is opposed to the sale of red liquor. Of course the whisky and beer trusts have nothing to do with the C. J.'s stand; the editor just believes in booze, booze, that's all.

SENATOR MCNUTT and Representative Mueller, of Louisville, the traitors who were elected by democrats but who elected Gov. Bradley Senator, were given a reception in the Falls City the other night on which occasion Senator Cureton, Representative Oliver and other republicans spoke.

POLITICAL.

Tennessee Republicans split in two more congressional district conventions. Taft men were in control at both meetings.

Former Gov. John W. Stewart, of Vermont, was appointed United States Senator to succeed the late Redfield Proctor.

W. J. Neel, Representative in the Georgia Legislature from Bartow county, and one of the authors of the State prohibition bill, is dead.

Speaker Cannon's manager says he will have 146 votes on the first ballot at Chicago, and will be nominated soon after the second ballot.

A virtual knockout for the Minnesota and North Carolina rate laws came in decisions handed down by the Supreme Court of the United States.

Louisiana's State primary election laws were declared unconstitutional, null and void by Judge King in the Civil District Court at New Orleans.

A meeting of the Democratic Congressional Committee for the Seventh district has been called for Saturday at Lexington. It is not thought that Congressman W. P. Kimball will have opposition for the nomination.

Gov. Willson approved the bill appropriating \$25,000 each to the Western and Central Asylum and \$17,500 to the Feeble Minded Institute. He has decided to veto the bill providing for pensions for Louisville school teachers after a certain term of service.

Butler McClanahan, Jr., and Henry Fanning, prominent farmers, have been arrested on the charge of the murder of Hiram Hedges in Nicholas county.

Jep Price, a Constable, of Owsley county, shot and killed John Warren for whom he had a petty warrant. Warren started to run and was shot in the back.

The Nicholas County Society of Equity, through its president, Herdy Myers, has published a card denying any connection with the murder of Hiram Hedges by Night Riders.

Gov. Willson has offered a reward of \$500 for the arrest and conviction of each member of the band of night riders who murdered Hiram Hedges.

At Hopkinsville Reb Wood was found guilty of sending a threatening letter signed "Night Riders" to Louis Dawson, colored, and fined \$100 and sentenced to jail for three months.

It was decided at the Cabinet session to accept China's invitation for a visit from the American fleet. No other invitations will be accepted and the fleet will return home on Washington's birthday, to give President Roosevelt a chance to welcome it before he goes out of office.

MATRIMONIAL.

E. L. King and Miss Carrie Bailey, both of the East End, were married Wednesday. The groom is a well-to-do farmer and a mighty clever young man, while his bride is a fine young lady and is both pretty and popular.

Walter Jones and Miss Eulah Totten eloped to Louisville Wednesday and were united in wedlock's holy bond. The two had been sweethearts for a long time and now that their fond hopes are realized they should be, and doubtless are very happy. They returned to Stanford and are now at home at the St. Asaph Hotel. The groom is a clever young man, steady and industrious, and able and willing to take good care of his pretty bride. He is the oldest son of Ex-Marshall R. G. Jones. Mrs. Jones is the daughter of Mr. J. L. Totten and is a splendid young woman. Since her mother's death she has taken charge of her father's household and right well has she filled the mother's place. She is a pretty brunette, popular with all classes and the young man who has won her hand and heart is to be congratulated.

Are you fat? Walk.
Are you thin? Walk.
Are you nervous? Walk.
Have you no appetite? Walk.
Do you gormandize? Walk.
Have you lost interest in life? Walk.
Maybe your poor stomach won't work.

Or perhaps your liver has gone on a strike. Walk.
Cupid may have put a kink in your suffering heart. Walk.
In short, walking seems to be the remedy for all ills, save, perhaps, broken legs.

Given Up To Die.

B. Spiegel, 1204 N. Virginia, St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Why not let it help you? Penny's Drug Store.

Stop That Cold

To check early colds or Grippe with "Preventive" means sure defeat for Pneumonia. To stop a cold with Preventives is safer than to let it run and be obliged to cure it afterwards. To stop a cold with Preventives will cure even a deeply seated cold, but taken early—before the sneeze stage—they break or head off these early colds. That's surely better. That's why they are called Preventives. Preventives are Little Candy Cold Cures. No Quinine, no physic, nothing sickening. Nice for the children—and thoroughly safe too. If you feel chilly, if you sneeze, if you ache all over, think of Preventives. Promptness may also save half your usual sickness. And don't forget your child, if there is feverishness, night or day. It is a noticeable fact, and one which any doctor will verify that people who suffer most often from disease are the ones who have the most difficulty in keeping their bowels open. Regular bowel action is half the battle of health. People who have a tendency to constipation must of necessity use something to help nature along. This should not be a violent aid like salts or purgative waters, cathartic pills or powders, but a syrup liquid that will oil the intestines and membranes that it comes in contact with. Children, women and weak people generally should never be given a strong physic, as it weakens the system. And it is futile for the strongest person because the relief is temporary for that day, and then the reaction sets in and you are worse off than before. What is needed is a prompt but gentle laxative tonic like Dr. Caldwell's Syrup Pepsin. People have been taking it for sixteen years and it is being better liked by more people every year. The reason is that it fills a want. It is unlike anything else. Results are sure in any case. Constipation, dyspepsia, indigestion, liver trouble, biliousness, flatulency, sour stomach, weak stomach, bloated stomach and such ills that a cure of any of these ailments is absolutely guaranteed. A bottle costs but 50 cents or \$1 and is worth a hundred times that to any sufferer. Children's mothers keep it constantly in the house for emergencies, because it is needed at some time or other by every member of the family. Dr. Luella Underhill, the medical superintendent of the Working Women's Home of Chicago has kept her charges in perfect health by the use of Dr. Caldwell's Syrup Pepsin whenever a stomach complaint was brought to her attention. No other laxative is used in the Home. Buy a bottle yourself today and watch the prompt and permanent results.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Deficient yet most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSIN."
